

Effective Thinking and Writing (WRIT1999)

WRIT1999 course is a University of Queensland Enhanced Studies course open to students from low SES schools or any student who identifies as Aboriginal and Torres Strait Islander.

The goal of the course is to assist these students in Year 11 to enhance their Year 12 performance and gain a university place. It is free to all eligible students.

Benefits

Previous WRIT1999 students have shown improved academic results, higher rates of university offers and success in UQ degree programs.

Students who successfully complete WRIT1999 will be eligible to receive one adjustment point toward their UQ entrance rank (1-99 scale) through the Subject Incentive Scheme.

Students who later enrol in a relevant UQ degree may receive credit for their completed course, depending on which degree they enrol in and subject to approval by the relevant Faculty.

WRIT1999 counts for 2 points towards a student's Queensland Certificate of Education (QCE).
